

BOLA SPHERE TABLE

DESCRIPTION

The Bola Sphere Table series fuses an elegant blown opal glass sphere with a mirrored disc base in polished stainless steel to give the illusion of a floating orb in space. Taking its cues from the Bola Family Collection, the new table version brings this magical combination to a table surface, allowing for full range dimming and is available in 3 distinct globe sizes: 8" (20cm), 10" (25.5cm), and 12" (30.5cm). Its mating base is available in 3 corresponding diameters: 9.5" (24cm), 12" (30.5cm), and 14" (36cm) in 4 exquisite finishes: chrome, brass, rose gold and gunmetal. Each finish provides a distinct personality for any residential, contract, or hospitality environment. Bola Sphere Table is now available with a larger 16" (40cm) globe!

FIXTURE TYPE

Table

LIGHT SOURCE

Brand: **PHILIPS**

(1) E27 18.5W (6W replacement)

2700K LED bulb: 800 lumens

LIGHT CONTROL

In-line dimmer (fully dimmable)

SPECIFICATIONS

Voltage: 120V or 240V, 50/60Hz

Power Consumption:

LED Warm Dim Bulb: 8W (60W equivalent)

Color Temperature: 2700K

Luminosity: 800 Lumens

Luminaire Efficacy: 94 Lumens

Cord Length: 6' (1.8m)
